

Shift Maintenance Operative

Ripon Select Foods Ltd is a family business manufacturing dried food ingredients including flour, rusk, breadcrumb and dry mixes on an industrial scale.

Working 40 hours per week on a 3-shift rota, the work involves lubrication and planned maintenance plus other routine tasks and ad hoc duties as they arise. The successful applicant will be positive and reliable with transferable engineering skills, including knowledge of industrial plant and plant maintenance.

In return, we offer a competitive monthly salary commensurate with qualifications and experience, plus contributory pension scheme, work-wear and generous holiday allowance.

Only applications which have been completed in full will be considered, i.e. application form, health surveillance questionnaire and equal opportunities questionnaire. **CV's alone are not acceptable.**
