

Shift Production Operative

An opportunity to work with a BRC certified food manufacturing company, specializing in dried food ingredients. We are a successful, family owned business, manufacturing and distributing on an industrial scale. We are currently looking for an enthusiastic Shift Production Operative to work in our busy factory based in Ripon, North Yorkshire.

About the Role

Following comprehensive training, your role will involve:

- Setting-up and monitoring production machinery.
- Carrying out checks and ensuring quality, hygiene and safety levels are maintained.
- Adhering to company policies relating to Health and Safety and have a general awareness for H&S in the workplace.
- Maintaining high standards of personal hygiene and housekeeping at all times.
- Shift work.

About You

- Experience of working in a Food Production environment.
- Excellent attention to detail.
- Good verbal and written communication skills.
- Good numeracy skills.
- Must be able to lift 25kg bags.
- Team player and flexible to cover other areas of work if required.

Benefits include competitive salary, contributory pension scheme, workwear and generous holiday allowance.

To apply, please complete an application form and health questionnaire. **CV's are not accepted.**
