

Applications are invited for the position of

Quality Control Technician

Attractive Salary & Benefits, based in Ripon

35 hr per week, Monday to Friday

Ripon Select Foods Ltd is a successful family-owned business manufacturing dried food ingredients used in many leading branded products. We take pride in our family feel within our business and aim to offer job satisfaction and security. This is an exciting opportunity to join a growing Company that's investing in its future. We are looking for a reliable individual to join our Quality team.

About the Role

Working 35 hours per week, the role will be based in the Quality Control department carrying out testing of ingredients and finished products, and conducting quality audits.

About You

Ideally you will have some relevant experience, but training will be given as appropriate. You must be self-motivated, able to work both independently and collaboratively as part of a small team; and have good data input and analysis skills.

Benefits include a competitive salary, contributory pension scheme, and generous holiday allowance.
